Dear Mr Bos,

The CTBT: Science and Technology 2025 Conference will take place from 8 to 12 September 2025, with an online day on Monday, 8 September and from Tuesday, 9 to Friday, 12 September 2025 both at the Hofburg Palace in Vienna, Austria, with an online component. This will be the eighth in a series of biennial multidisciplinary conferences that seek to provide a forum for scientists, industry leaders and policymakers from around the world to exchange knowledge and share advances in monitoring and verification technologies of relevance to the Comprehensive Nuclear-Test-Ban Treaty.

The CTBTO is pleased to support your attendance at the Conference and will provide you with a pre-paid economy class air ticket booked by our travel agency, daily subsistence allowance (DSA) and medical insurance coverage through Cigna.

If you have any questions or require assistance, please do not hesitate to contact the SnT2025 Team at: sandt@ctbto.org.

We look forward to your participation in this important event.

Yours sincerely,

Dounia Keda
Director
International Data Centre Division
